# Dedication

This year for the first time in the history of Wilcox the yearbook is being dedicated to two important individuals. The 1981 Promethean first recognizes Dennis LeBlanc, our very capable and active Dean of Students.

Mr. LeBlanc graduated from Santa Clara High School in 1961. While in high school he participated in baseball, basketball, and was the student body president. Mr. LeBlanc began teaching here at Wilcox in 1966 shortly after receiving his teaching credential from San Jose State University. For many years he taught in the Social Studies Department and in 1977 became the Dean of Students. In addition to his academic and administrative pursuits, Mr. LeBlanc, affectionately known as "Chicken-Legs LeBlanc," has been an active coach working with the junior varsity basketball team for many years and more recently with the varsity. He has also been the advisor to many classes and clubs including the Letterman's Club and the Latino-Chicano Club.

When he is not involved with his many activities here at Wilcox, he likes to spend time with his wife Brenda and their two children, Mike and Randy, at their cabin where he enjoys fishing, reading, and just plain relaxing.

Mr. LeBlanc, the students of Wilcox High School thank you for your years of dedicated service and wish you the very best in the years ahead.

# Dedication

If there is one person most identified with school spirit at Wilcox High School that person would have to be Kathleen MacDonald, to whom this yearbook is also dedicated. Mrs. MacDonald has been an enthusiastic advisor to the Rally Council since 1975 and a teacher in the Business Department since 1964.

Mrs. MacDonald is a native Santa Clara graduate from Santa Clara High School in 1960 and later receiving her Masters Degree from San Jose State University. While teaching in the Business Department, she helped develop an excellent telephone operators' program in cooperation with Pacific Telephone. As Rally Council advisor she has been a hardworking and conscientious advisor to the cheerleaders, song girls, and letter girls accompanying them not only to the many football and basketball games but also to summer camp training sessions as well. It would be impossible to count the number of extra hours Mrs. MacDonald has given to these activities. In addition to her many school responsibilities Mrs. MacDonald also holds a high state office in the order of the Eastern Star.

Because you have given so much of yourself to Wilcox, Mrs. MacDonald, we dedicate this yearbook to you.

"Break A Leg"

This year the medical careers club, with the help of spirited classes, brought in 5226 cans that were distributed between three churches in Santa Clara

A special thanks goes to Tim Archer, Amy Kanawyer, Lori Bacocchini, Debbie Torrisi, Lisa Pratten, Kim Martin, Chris Fowler, and Mrs. Julian, for all the hard work that went into separating all the cans

The canned food drive was an especially big success, thanks to Mr. Wherity and Mr. Williams, for each of their second period classes brought in over 2000 cans each

# Drive

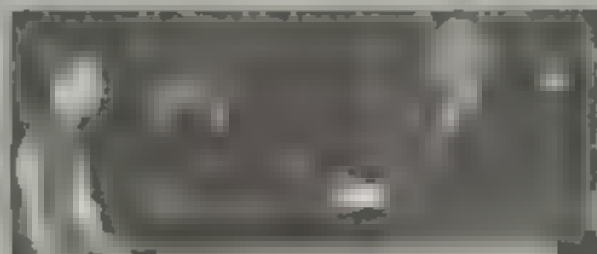

Congratulations to the Medical Careers club for the super job done on the blood drive this year. Sixty eight people presented themselves to donate, seven people were deferred leaving a grand total of sixty one donations. Of these donors forty one were first time donors.

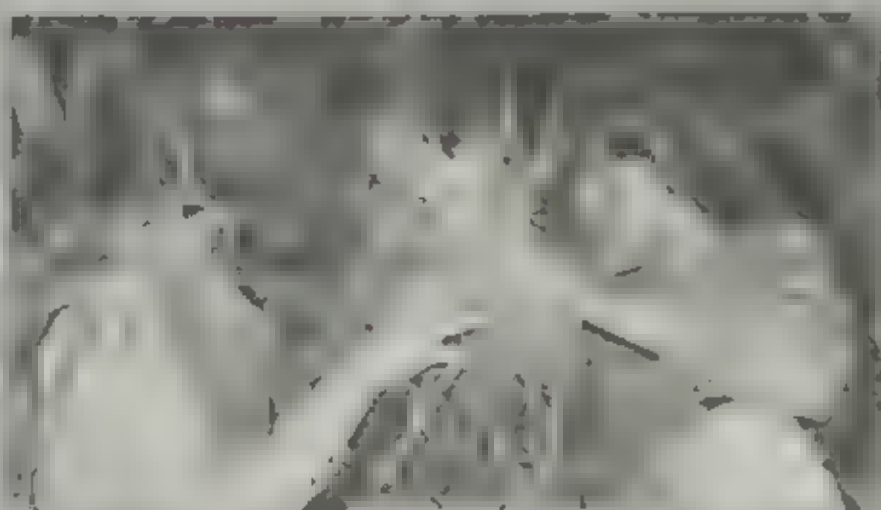

A special thanks goes to all the teachers and faculty members who gave up their spare time to come in and donate and to Mr. Peterson's Physiology class.

A very special thanks goes to Tim Archer, Mrs. Julian, and all of the volunteers that worked in the Donor Rooms, Canteen, Registration Tables, Seaters, Greeters, Table Tables, Escorts, and all of the nurses from the American Red Cross, without whom the blood drive could not have been possible.

# DECISION MAKERS

Rudy Gatti Superintendent

This year the Board of Education was faced with a difficult decision. Because of declining enrollment, it was necessary to convert two high schools into junior high 7-9, and leave two high schools as senior high schools, 10-12.

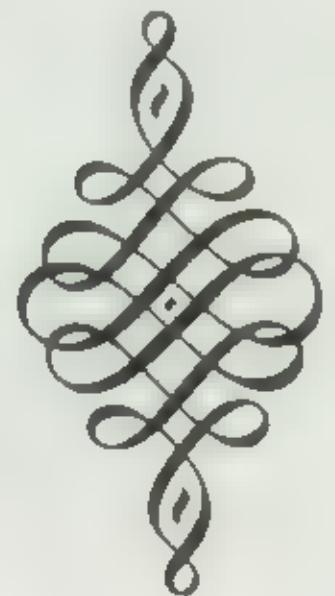

As everyone knew, all were suited as either. However, it was decided that Wilcox and Buchser were over-rated as junior highs. Therefore they were retained as senior highs.

This was not an easily made decision and there was extensive study conducted. Not everyone was pleased, but not everyone can be pleased. We know Wilcox and Peterson will work together to make their new school work, and likewise with Santa Clara and Buchser.

Thank you, Board, for your time and effort in making a decision worthwhile to **all** the students.

# Mr. Rudy Buchser

Mr. Buchser has been here as principal for twenty years. Through all these years he has seen and contributed to the growth of Wilcox High School. He has been especially concerned with providing the young people of this community with the basic education they will need in later life. For this he has gained the respect of students, parents, and faculty alike.

As a member of the Dads and Grads and the advisor to the Boys Block W Club, he has also contributed a great deal to the extra-curricular activities here at Wilcox. This is Mr. Buchser's last year at Wilcox. Next year he will be the Director of Adult Education/Vocational Education at the district level. We wish him the best of luck.

The Varsity Volleyball Team also participated in the Northern California invitational Tourney.

The Girl's Junior Varsity Volleyball Team led by Coach Hirase ended the season with a record of 6 wins and 8 losses with a league record of 2 wins and 6 losses. Despite a somewhat disappointing season, the girls on the team gained considerable experience that will serve them in good stead next year.

The Junior Varsity Girls Basketball Team was one of the most dedicated groups on the Wilcox campus. Participating on any swimming team is a grueling endeavor requiring skill, endurance, dedication, and self-discipline. For the girls who are members of the Wilcox swim team, there is one additional requirement - a sense of humor. Both the Frosh-Soph and Varsity teams were very small this year, making a winning season unattainable because they competed against teams 4 to 11 times larger than their own.

The Wilcox girls extended themselves in as many events as possible. The Varsity team succeeded in moving up two places in the league standings. The Varsity team finished in sixth place with our diver, Kathy Bovard, making it to Regionals and two swimmers, Johnelle Sellaro and Louise Wasielewski, competing in C.C.S.

The wrestling team this year was a relatively young and small squad. We were especially lacking in our upper weight brackets, which was a major reason why we didn't end the season with a good team record. We did have some outstanding performances by Dan Vallotton (167 lbs.) and Rich Estrella (119 lbs.). Also freshman Dave Vallotton (156 lbs.) made a good showing until injured mid-way through the season.

# A Final Note

The old is ending and the new is beginning. This was a special year for everybody because this is the last year Wilcox High School will be a four year school. Over the years we have seen Wilcox grow physically with the addition of a lighted football field, a new auxiliary gymnasium, and a remodeled library. More importantly we have seen Wilcox grow and then decline in enrollment to a point where it was necessary to restructure the high school. And so after twenty years of operation the Santa Clara Board of Education made the decision to combine Wilcox and Peterson High Schools into a senior high school with 10th, 11th, and 12th grades. Next year will see many changes in faculty and programs. We on the yearbook staff want to wish the best of luck to everyone who will be here at the new Wilcox next year.

The publication of the yearbook this year, like any other year, involved a great deal of work by everyone on the staff. Many students may believe that in June the yearbook just magically drops from the sky. This, of course, is not true. Planning for the yearbook begins before school begins in September with meetings with

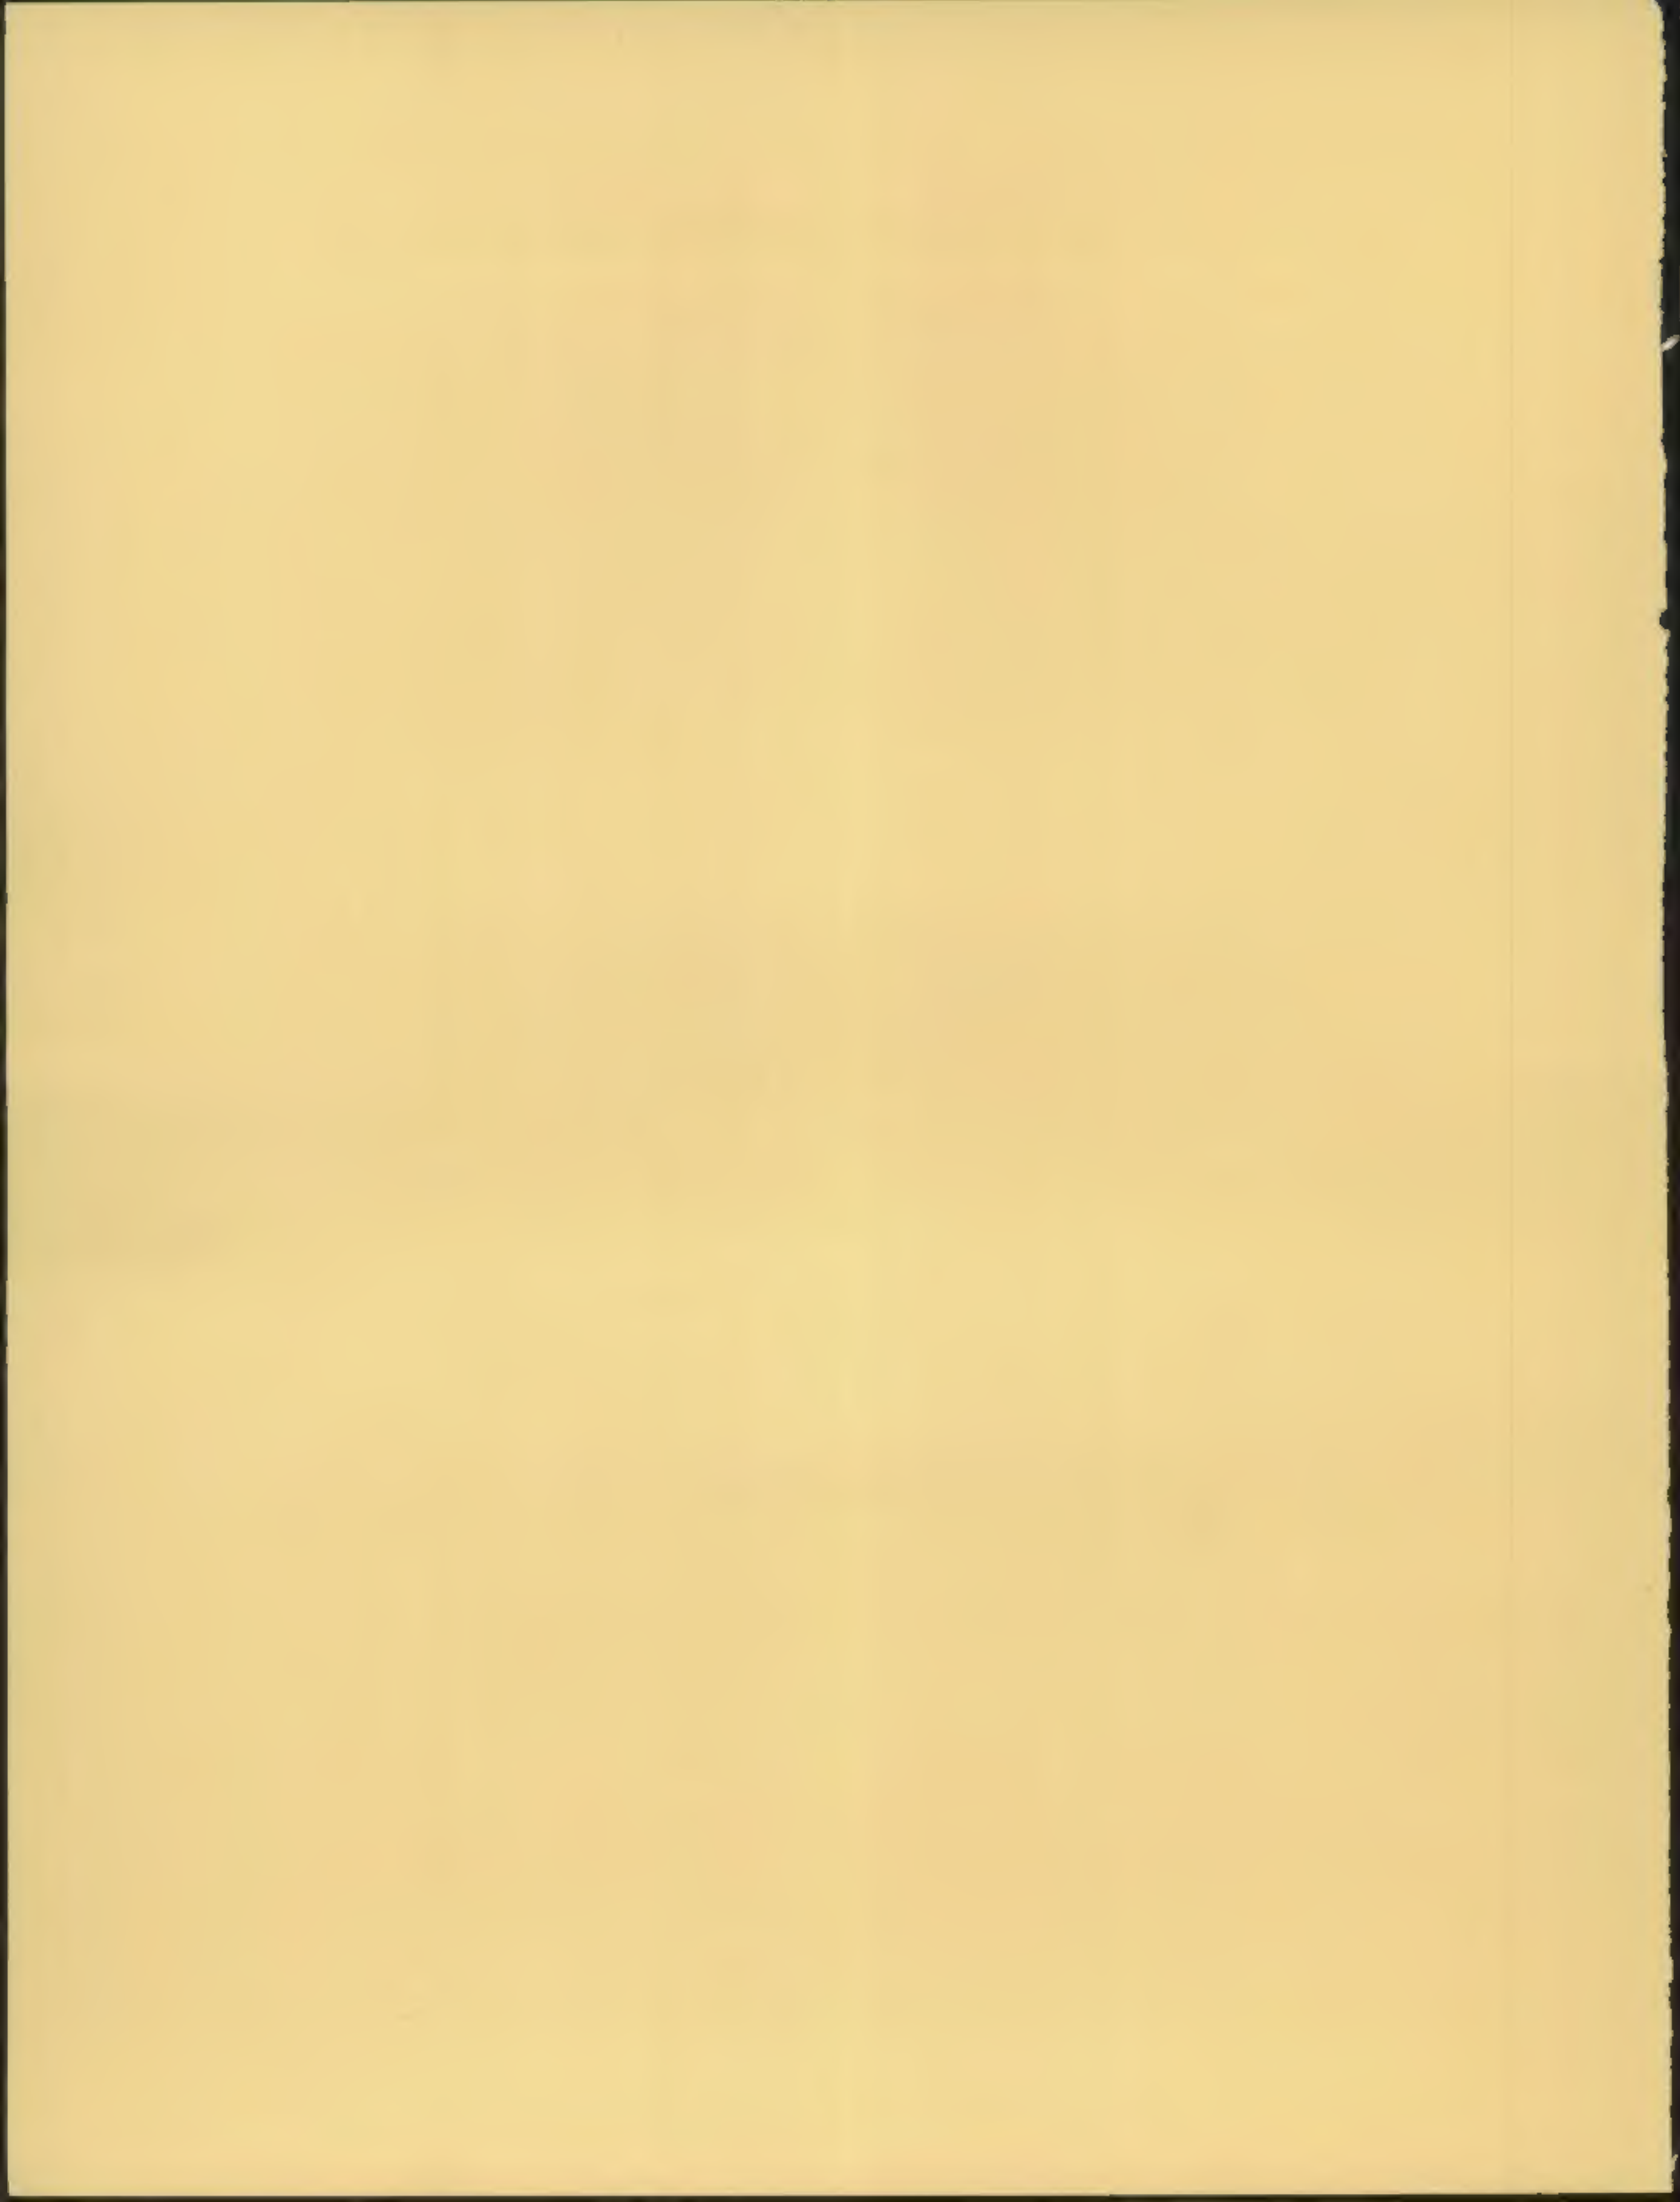

the yearbook representatives, seminars, and planning sessions to begin deciding on the theme, the use of color photography, the length, and staff responsibilities. Even though many hours are spent checking and rechecking, some errors may still get in the yearbook. (Of course, we slipped in a few mistakes on purpose just to keep you busy looking for them.)

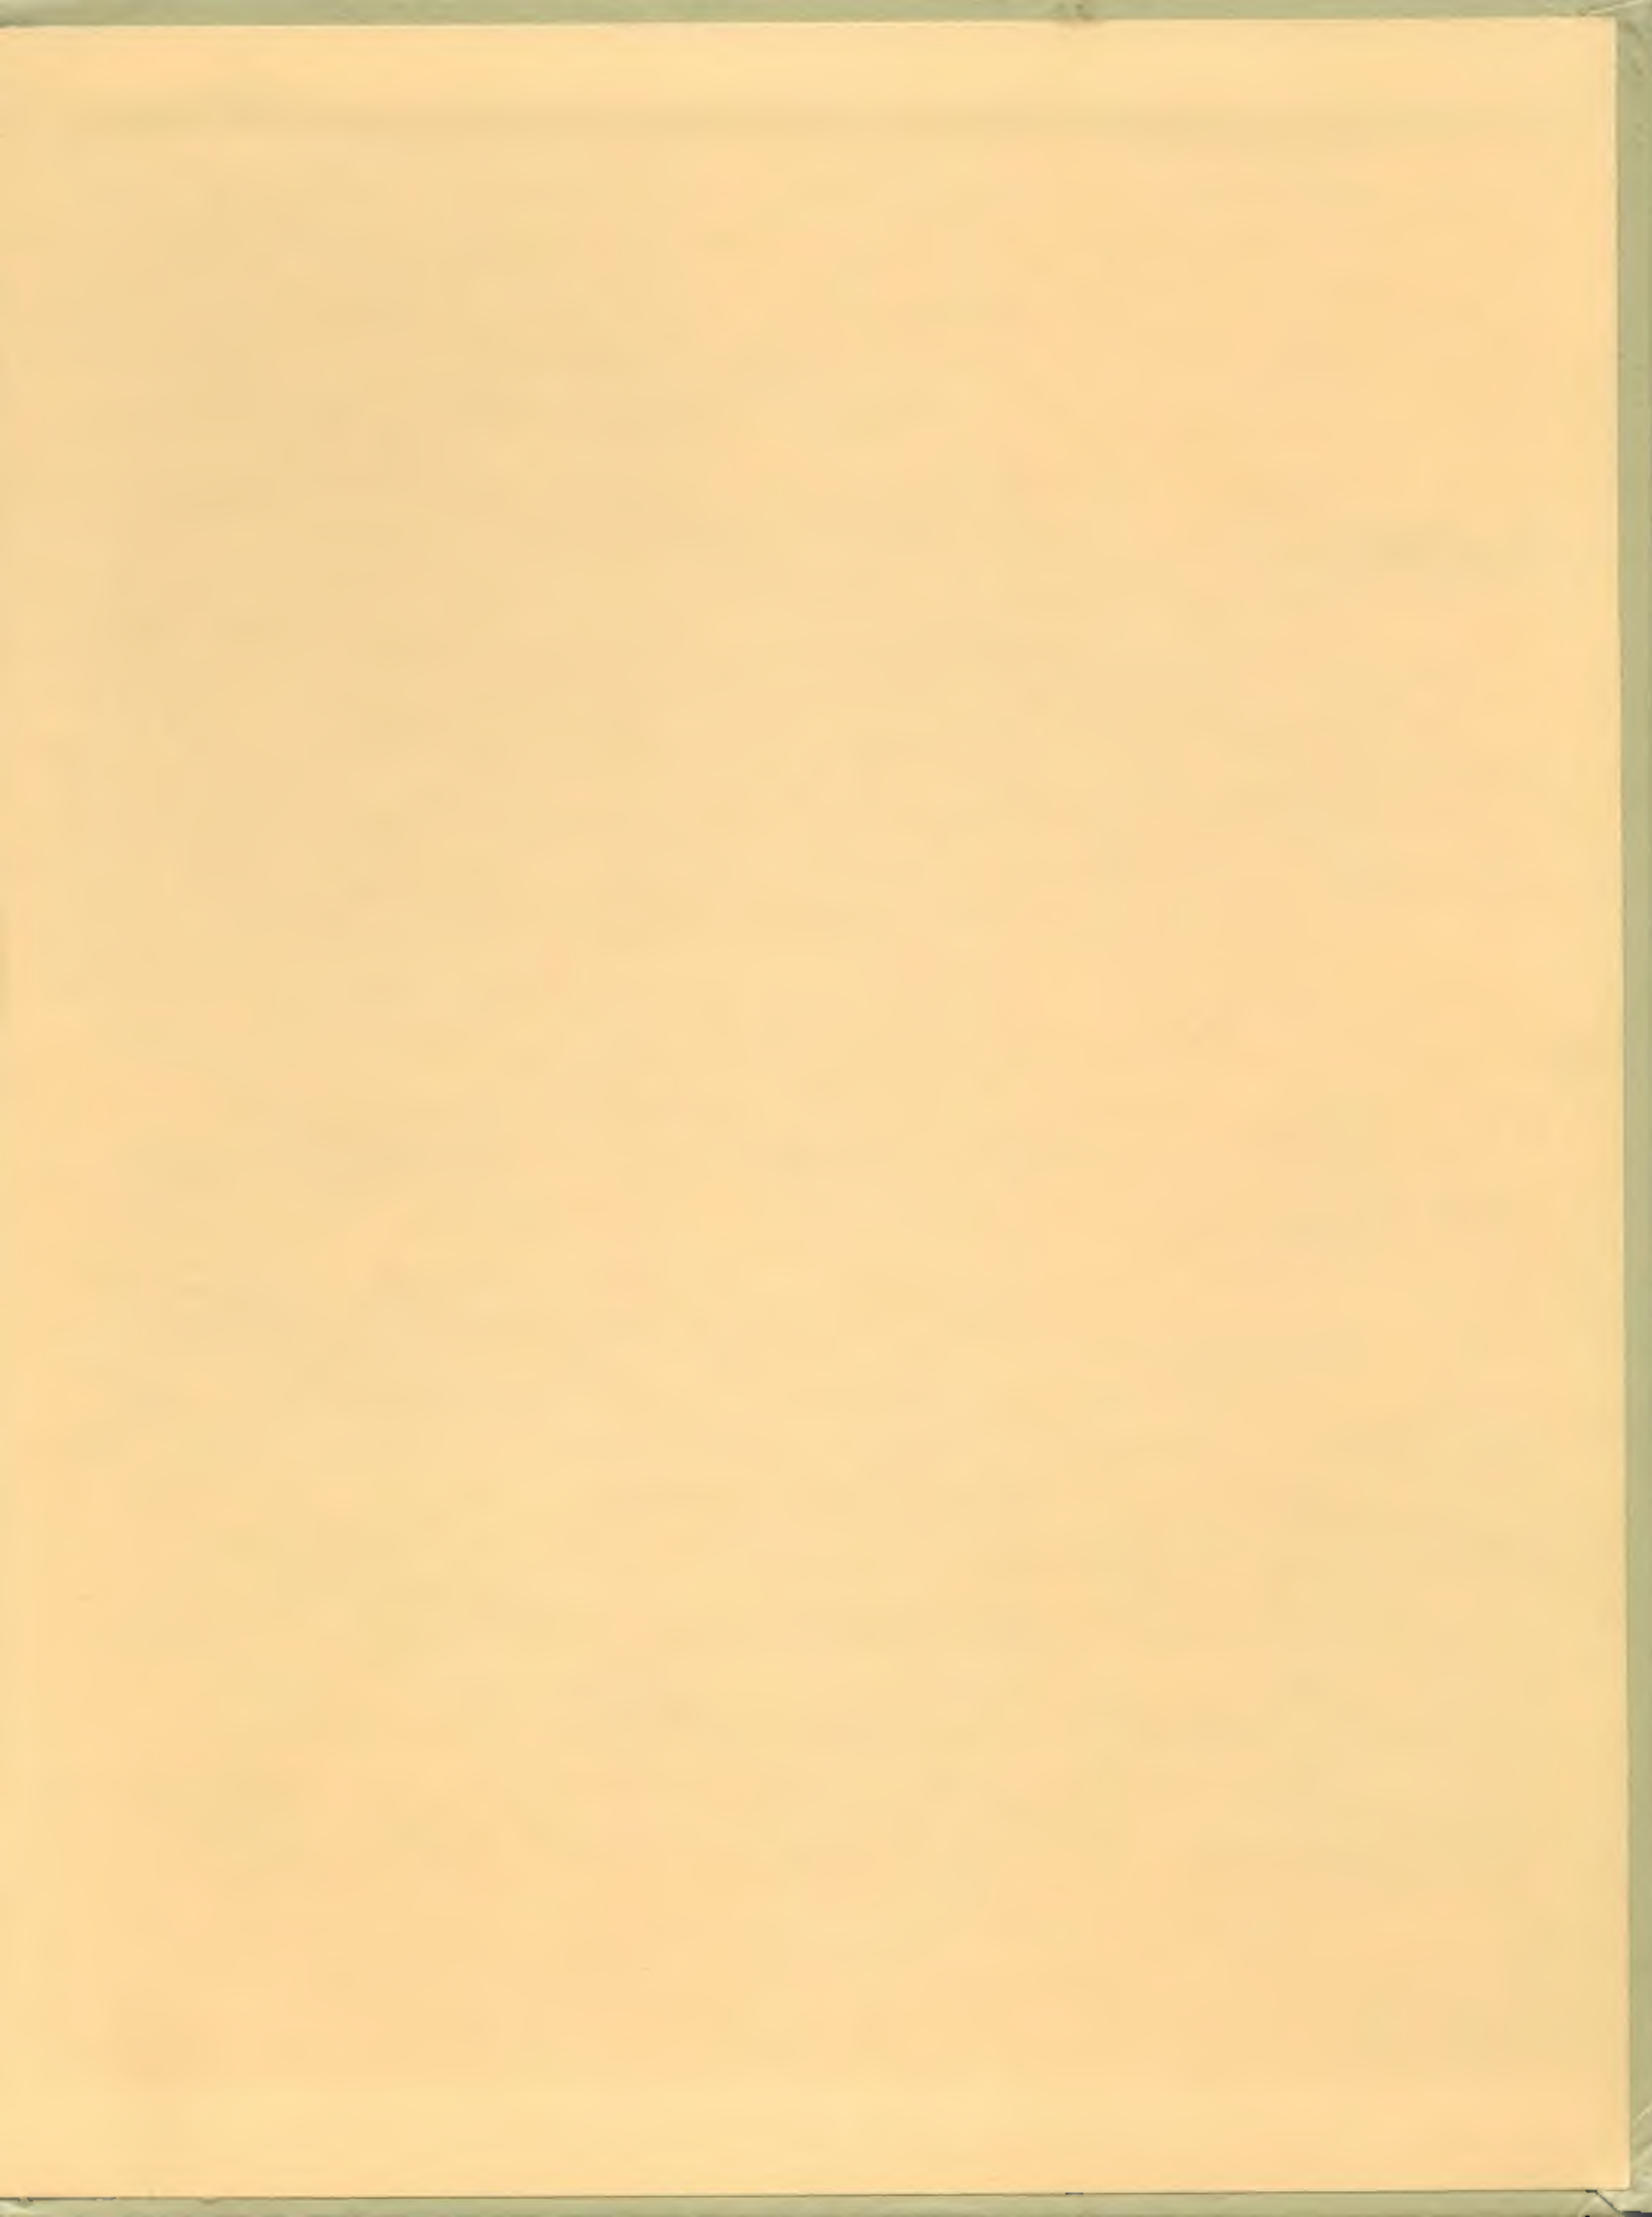

As editor I would personally like to thank my fellow staff members who worked so hard this year. Without everyone's cooperation this year's *Promethean* would not have been possible. I would also like to thank Mr. J. R. Myers, the Jostin Yearbook representative, and Mr. Stephen Smallwood, who took over as advisor this year. With everybody working hard this year we made all of our deadlines on time which is a real accomplishment.

In closing I would like to point out that our theme for this year's yearbook was "Images." We hope someday you will be able to look back through the Images in the *Promethean* and remember the good times, and even the bad times, that helped all of us grow up.
